Description "Manner im Dritten Reich" (Men of the Third Reich), 1934, published by Oriental Cigarette Co. "Rosma", Bremen. This book is a cigarette card album, containing the biographies of 250 prominent men of the Third Reich. The album was designed to hold collectible cards (each with a colored portrait of one of the 250 men) which were distributed in cigarette packages. After collecting all the cards, one could order the album and paste the cards next to each biography. The cards were popular with young people, and the Nazi party saw it as a way to promote their political ideas among German youth in the 1930s. Donated to the UT Alumni Association by Capt. James V. Watson, HQ. 83rd Inf. Division, 1945.
